Global Day of Unplugging Scavenger Hunt and Hike

Saturday, March 4th 10 a.m. to noon

Unplug those electronic devices for a couple of hours and bring the children to explore the Bancroft Creek Canyon at the south end of South Barcelona St., Spring Valley near Ledgeside Street. Open a whole new world to the kids—a world they'll never experience on their phone!

Have fun searching out creepy crawlies, birds, rocks, flowers and more at the scavenger hunt. Everyone will take home a canvas “nap sack” to keep their phone in. Meet your neighbors and have fun with the whole family. And cell phones only to take photos of what you found!
